RE: Case No. 84 before the Power Plant and Transmission Line  
Siting Committee

To Whom it May Concern:

Thank you for the notice of the proposed transmission line location project referenced above. Please be advised that a Floodplain Use Permit as described in the Floodplain and Erosion Hazard Management Ordinance No. 1994-FC2, for Pima County, Arizona (hereafter the Ordinance) will be required under ARS §48-3609 (except as exempted under ARS §48-3613).

For your convenience and our filing purposes I have enclosed a Floodplain Use Permit application with a pre-assigned application No. (95-171). I have also enclosed a flyer which explains the process for applying for the permit.

Please call me at 740-6350 if you have any questions regarding the above or attached information.

Sincerely,

John M. Wallace, P.E., Manager  
Floodplain Management Section
